THE DALLAS NORTH TOLLWAY NOW EXTENDS INTO PROSPER

QUICKER COMMUTES AND EASIER ACCESS

A great life is even easier to reach

The Grand Opening of the Dallas North Tollway's new extension into Prosper

officially opened on October 14th.

Designated as Dallas Parkway, the new service road now goes beyond U.S. 380 and ends at FM 428, allowing easy access to new residential and commercial developments.

This opening also represents the next step in connecting rapidly expanding Collin and Denton county cities to Downtown Dallas and the surrounding areas.

On Tuesday, October 14th, Collin County officials joined fellow dignitaries from northwest Collin County and the North Texas Tollway Authority (NTTA) in a ribbon-cutting ceremony at the new Dallas North Tollway extension.
